

She took her first breath today...

...but if the Air Board votes the wrong way on April 30, she won't breathe clean air until she graduates from high school

We need a faster, better plan to clean our air now.

Tell the San Joaquin Valley Air Pollution Control District not to delay clean air until 2024.

- ◆ **Call Air Board members Jon McQuiston at (661) 868-3650 and Raji Brar at (661) 854-3145**
- ◆ **Go to the April 30 meeting**
