

She took her first breath today...

...but if the Air Board votes the wrong way on April 30, she won't breathe clean air until she graduates from high school

**We need a faster, better plan to clean our air now.
Tell the San Joaquin Valley Air Pollution Control District not to delay clean air until 2024.**

- ◆ Call Air Board members William O'Brien at (209) 525-6474 and Chris Vierra at (209) 538-5692
- ◆ Go to the April 30 meeting
